The USPTO publishes patent applications 18 months from the date of filing. The USPTO will delay the publication of an application made available to a defense agency under 35 USC 184 and will not release that information from the filing date of the application until the application is published. This publication will be delayed for 18 months from the filing date of 90 days from the date of "Date of Referral" which occurs after the application is forwarded to the USPTO. The USPTO will not publish the application until the application is published or a secrecy order is issued.
